## 2026 KILLZONE: MECHELEN

### MISSION STATEMENT

The World Team Championship (WTC) is an annual wargaming event that initially comprised only WH40K but as of 2023 the event has expanded to different gaming systems like X-wing and Kill Team (since 2024). At the WTC, competitors from all around the globe can show their mettle individually against their peers, or as a team competing to win the coveted title of being WTC Champions.

At its core, the tournament aims to bring together players from all over the world to compete in a friendly but competitive manner. We believe that everyone is entitled to be treated fairly regardless of gender, sexual orientation, age, disability, religion, color, race, ethnic or national origins, political ideology, or socio-economic background.

Furthermore, we subscribe to the principles of equality of treatment and aim to ensure that anyone who attends is able to do so in a discrimination-free environment where everyone is treated with due respect. We are committed to ensuring that everyone is able to attend, free from direct discrimination or abuse (physical, verbal or otherwise).

As such, we will not accept nor tolerate any actions that would result in an attendee receiving any less favorable treatment by any other attendees on the grounds of: gender, sexual orientation, age, disability, religion, color, race, ethnic or national origins, political ideology, or socio-economic background. We expect everyone to subscribe to, and do their best to uphold, these core principles by way of their attendance.

We reserve the right to refuse entry to or expel from the venue, without refund, anyone who is deemed not to have acted to honor above standards.

### OFFICIAL LANGUAGE

The official language of the tournament, and the ONLY language that should be spoken at the gaming tables, is English. All players must be able to communicate in fluent English. Due to the international nature of our event this is non-negotiable.

## 2026 KILLZONE: MECHELEN

### TOURNAMENT OUTLINE

The Killzone: Mechelen singles event is open to anyone for playing. We aim to crown one of our attendees as the sole winner of the event, the de-facto Kill Team Specialist.

#### FORMAT

Kill Team Tomb world season - Matched play - 7 Rounds - 2h games – 150 players

#### ROAD TO GLORY

Killzone: Mechelen is an event for individual players comprised of 7 Rounds of high-level Killteam play. Round 1 players from the same nation cannot be paired against each other (in order to assure this, you need to mention your nation when purchasing a ticket and/or indicate your nation as your "team" in BCP). Players will be ranked by Tournament Points > Victory Point > Tournament Point SoS > Oppt, Game Win % scored during each game up until Round 6. Round 7 all players are locked per two in their own bracket for placement while we play to crown one player the decisive champion of the event. For instance: The first and the second in the ranking will play for the first and second place of the tournament The Third and the fourth in the ranking will play for the Third and fourth place of the tournament The Fifth and Sixth in the ranking will play for the Fifth and Sixth place of the tournament, and so on for all other players.

#### SCORING & TIEBREAKERS

Players will be paired / ranked by their Tournament Point > Tournament Point SoS > Oppt, Game Win % > Victory Point scored during each game, with a single undefeated player crowned the decisive champion of the event.

#### KILL TEAM SELECTION

Kill Teams featured in Classified and all new teams featured in future release boxed sets are valid to be taken as long as they are released prior to list submission deadline.

#### MISSION

Kill Team: Approved Operations Card Pack 2026, Crit Ops, Kill Ops and Tac Ops. Each round the same mission will be played by all players

#### TERRAIN & MAP LAYOUTS

The event will use Tomb World, Volkus and Gallowdark terrain sets with the official GW Layouts. To create more dimensional strategy and tactical choices, half of the Gallowdark terrain will be set up with a new layout specially developed for this event.

## 2026 KILLZONE: MECHELEN

**See the Map Pack available in the WTC website.**

All terrain will be painted, with doors or access points with markers and played on a 30" by 22" custom mat for open play and on 24" by 27.8" for the close quarter terrain for the event.

### **FACTION RULES, FAQ & ERRATA**

For open rules questions or interactions not resolved by GW, we advocate players to ask a clarification via the WTC Discord. The WTC Referee Team will answer any questions with due diligence. Note that any WTC event FAQ's always take precedence over all other publications. **All official rules updates and documents apply for our event, even if they are released after list submission deadline.**

### **RULES & TRANSLATIONS**

Where discrepancies in the rules occur due to possible translation issues, note that the digital rules published in the GW Kill Team Application in English will take precedence over all other publications.

### **REFEREES**

The Tournament will be officiated by 3 referees that are vetted by the WTC TO's. A referee's word is final, and a decision may not be escalated. This is because there are stringent procedures in place for how a referee makes a decision, and any that may have a severe impact on the outcome of a game are only ever made in concert with other referees.

Abuse, of any kind, will not be tolerated where our referees are concerned. Official complaints after the round will be handled immediately after the round. Both relevant players and at least two referees will participate. Referees will hear one statement from each player and their counterpart's response. After this referees will make an undisputed judgement about the case. Possible infractions and associated cards are valid in the next round of the event. A red/yellow card system will be implemented to handle any disputes/issues. All referees are chosen for their integrity, and their ability for taking a neutral stance regarding the country you originate from. Please refer to our organized play document for more information regarding possible sanctions at the event.

### **PLAYER RESPONSIBILITIES AND PLAY COMPONENTS**

Attendees are expected to bring their fully-painted Kill Team, official accessories, measuring gauges or a tape measure, and all relevant rules publications, printed or digital relevant for their faction. A set of Tac Ops cards or documents to monitor the completion of your mission, and finally all tokens and game aids needed to offer a transparent game-state at all times to your opponent.

Models that are not official, do not fit the WYSIWYG profile, are 3D-printed or considerably deviate from the norm MUST be approved by a tournament official at least a month PRIOR to the tournament and meet an approval from the TO before they can be used at the tournament.
