WTC KT

MAP PACK

26th July 2026 – Version 1.4

Terrain powered by Adeptus Mechanicus

MAP PACK

2026 Map pack will be composed of :

- Volkus – Approved Ops 2024/2025
- Tomb World - Approved Ops 2025
- WTC Layout Gallowdark + Into the Dark box Narrative part

Row setup for Team Event:

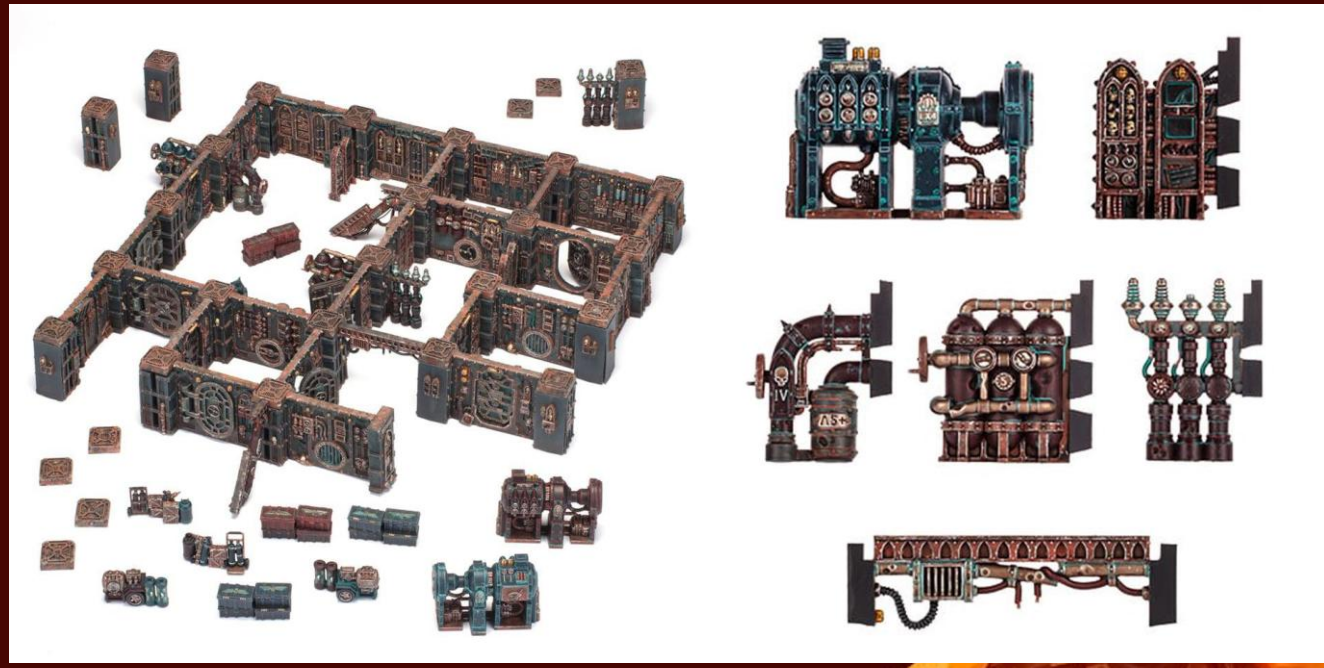
WTC SPECIAL 2026 LAYOUT

Gallowdark and Narrative part

We are pleased to offer you new layouts combining Gallowdark terrain and the narrative part of the Into the Dark boxed set.

Six maps have been created with diversity in mind for WTC 2026. They offer challenges for players on match play and during the Pairing for the Team event.

Enjoy !



WTC SPECIAL 2026 LAYOUT

Gallowdark and Narrative part

Clarification on Narrative part

- Narrative part C1 to C5 can be climbed or moved around.
  The cost of the Climb is 2" and the drop 0".

- You can't put ladders on it
